IIT-D collaborates with leading Taiwan University

28 May 2019 | News

Both institutions seek to work together and carry out joint research & academic activities

Indian Institute of Technology Delhi (IIT-D) and National Chiao Tung University (NCTU), Taiwan have signed a Memorandum of Understanding (MoU) to establish and offer a Joint Doctoral Degree Programme (JDP).

The MoU has been jointly signed by Prof V. Ramgopal Rao, Director, IIT Delhi and Prof. Mau-Chung Frank Chang, President, National Chiao Tung University, Taiwan.

Under the MoU, an academic and student exchange will be developed through the JDP whereby students who successfully completes all the requirements of the programme will be awarded a joint degree for the thesis by both institutions.

Both institutions also seek to work together and carry out joint research & academic activities in a mutually beneficial way and to look for synergies across the doctoral programs of each other.
