"The need is to cut across barriers for public health"- Suchitra Ella

21 May 2020 | Views

Suchitra Ella, Joint Managing Director, Bharat Biotech, Hyderabad talks about the ongoing COVID-19 crisis

"Broad-based approach has been adopted for developing treatment therapies for COVID-19. The world is together in this crisis and the need is to cut across barriers for public health."

- Suchitra Ella, Joint Managing Director, Bharat Biotech, Hyderabad
