Bhatia Hospital wins accolades for Best Hospital of the year

Bhatia hospital, a leading 209 bed multi-specialty hospital in the heart of Mumbai city was felicitated for its contribution in the category of 'Best Hospital of the year' and Quality in Service Delivery awards in the Healthcare industry by The Golden Globe Tigers Award 2016 held at Kuala Lumpur.

These awards are given in recognition of efforts made by the healthcare organizations in pursuit of excellence. An independent panel of judges including eminent names assessed healthcare providers from across the country in more than 48 categories that made the highest impact on performance and quality metrics. Bhatia Hospital was awarded Certificate of Merit for Best Hospital of the year and Quality in Service Delivery at the gala ceremonies held at Kuala Lumpur.

Earlier also we had won Best Hospital of the year award in healthcare industry by India's Local Network, 94.3 FM and Stars of the Industry Group awards in 2016.

Mr Shrikant V Soman, chief executive officer, Bhatia Hospital was very exuberant on this occasion. 'Winning of Awards is only but a natural thing to happen as a result of the relentless efforts of the whole team of the hospital in pursuit of excellence in healthcare delivery' he said. 'My team is very 'charged up' with this recognition of their efforts. We will continue to strive for doing even better. Over the past 5 years Bhatia Hospital has come a long way' - he said with an aura of excitement and confidence.
