Metropolis opens centre in Thalassery, Kerala

01 September 2021 | News

The centre is capable of conducting 60,000 sample testing per month with an extensive menu of 4,000 tests

Metropolis Healthcare has launched a new centre in Thalassery, Kerala. The 1,600 sq ft laboratory can conduct more than 60,000 sample testing per month with a quick turnaround time and high-quality reports.

Metropolis Laboratory, Thalassery will offer about 4,000 different tests ranging from basic day to day pathology tests to high-end molecular diagnostics tests. Metropolis Healthcare has its laboratories located in Kangahad, Mattannur, Dharamshala, Pazhayangadi, Calicut and Kannur.

Dr Ramesh Kumar, Chief of Laboratory, Metropolis Kerala said, “We sincerely hope that we can reach out to and help those who are finding it difficult to cope with the burden of the illnesses around in the state of Kerala.”
