Cloudbyz, Tech Mahindra focus on integrated clinical trial management solutions

05 May 2022 | News

To evolve and transform clinical research management operations

US-based Cloudbyz has partnered with Tech Mahindra to provide integrated Clinical Trial Management Solutions. Tech Mahindra is a leading provider of digital transformation, consulting, and business re-engineering services and solutions.

The partnership, powered by Cloudbyz Clinical Research Management Platform and Tech Mahindra's industry-leading transformation services, will provide end-to-end clinical research management transformation to customers.

It will enable medical devices and pharmaceutical companies to be innovative, agile, and achieve efficiency across clinical trial research processes.

Kunal Purohit, Chief Digital Services Officer at Tech Mahindra, said, "As part of Tech Mahindra's NXT.NOW™ framework, which aims to enhance 'Human Centric Experience', we focus on investing in emerging technologies and solutions that enable digital transformation and meet the evolving needs of the customer. Organizations committed to clinical research will benefit immensely from the combination of the Cloudbyz solution portfolio and Tech Mahindra's Salesforce Solution Consulting & transformation expertise in the Healthcare & Life Sciences domain. Together, we aim to help our clients evolve and transform their clinical research management operations to become simple, agile, more efficient, and truly digital."
