THSTI, ICMR sign MoU for building research ecosystem

20 February 2018 | News

The main objective of this association is to build the basic, clinical, translational and implementation research ecosystem in India.

Translational Health Science and Technology Institute (THSTI), an autonomous institute of the Department of Biotechnology, Ministry of Science and Technology, Government of India, has signed a Memorandum of Understanding (MoU) with the Indian Council of Medical Research (ICMR).

The main objective of this association is to build the basic, clinical, translational and implementation research ecosystem in India.

The Executive Director, THSTI, Dr. Gagandeep Kang and the Additional DG, ICMR, Dr. Sanjay Mehendale signed the MoU aimed at establishing joint working groups towards upscaling research outcomes for the benefit of the society.

On the occasion, the Director ICMR-NIMS, New Delhi, divisional heads of the ICMR headquarters and senior scientists from THSTI were also present.
