

Shija hospital to set up Healthcity in Manipur

21 February 2018 | News

Shija HealthCity Manipur is a 200 acres mega project with an estimated project cost of about Rs.3,500 crores.

Shija Hospitals and Research Institute Pvt. Ltd has signed a Memorandum of Understanding (MoU) with Sun and Sands Enterprises Pvt. Ltd. for the development of 'Shija HealthCity' in Manipur.

Shija HealthCity Manipur is a 200 acres mega project with an estimated project cost of about Rs.3,500 crores. The objective of the project is to bring an inclusive growth based on the healthcare and education.

Major features of the HealthCity include 2300 bedded hospitals, Medical College up to 250 students intake, Dental College, Nursing College, Hotel & hospitality management institute, Cancer Hospital, Drugs and surgical consumable manufacturing plants, Residential Complex, Shopping complex, Ambulance including Helicopter Services etc.

Sun and Sands Enterprises intends to build 100 start-up entrepreneurs from Manipur. The company feels that there is huge potential in medical tourism at Manipur.
