Srinivasan H R, Vice Chairman and Managing Director, TAKE Solutions said, "We have started the new fiscal year on a very strong note. Our life sciences business continues to be our growth engine this quarter, while other verticals maintained momentum. Customers across geographies especially North America and Europe are embracing our robust solution and technology framework to accelerate their digital transformation journeys. With a good set of wins during the quarter, a robust deal in pipeline and investments in research and innovation in the Life Science industry, we are well positioned for the future to be a half a million-dollar enterprise by 2021."
