

Mylan Hackathon 2018 to 'Connect, Collaborate and Innovate'

19 September 2018 | News

The event will focus on creating innovative solutions in the healthcare segment for patients, payers, providers and other healthcare professionals.

Mylan, a global pharmaceutical company is hosting the 2018 Mylan Hackathon at its Global Centre in Bengaluru on October 13-14, 2018. The event will focus on creating innovative solutions in the healthcare segment for patients, payers, providers and other healthcare professionals.

This is a unique opportunity for students and professionals to connect, collaborate and innovate to come up with solutions that address real-world challenges in the healthcare industry.

Teams consisting of students, engineers, developers, designers, analysts, tinkerers, mavens, game-changers and Mylan employees will compete for the first prize of Rs 100000 and a second prize of Rs 50000.

Top notch giveaways, spot quizzes and free refreshments will add to the excitement.

Date: Saturday October 13th and Sunday October 14th, 2018

Venue: Mylan, Platina-3, Prestige Technology Park, Marathahalli Outer Ring Road, Bangalore – 560103

Registrations: Individuals can register themselves and get more information on the challenge at <https://www.mylanhackathon.com>
