The awards, in their 15th edition, welcomed 365 guests on October 9 in Madrid, Spain to celebrate outstanding achievements in pharma across 17 different categories

CPhI Worldwide, organized by UBM (part of Informa PLC), has announced the winners of the prestigious 2018 CPhI Pharma Awards.

The awards, in their 15th edition, welcomed 365 guests on October 9 in Madrid, Spain to celebrate outstanding achievements in pharma across 17 different categories.

Among the awards presented, ‘CEO of the Year’ went to Laurent Levy, PhD, the founder and CEO of Nanobiotix who has propelled the company to the forefront of oncological nanomedicine development.

Nanobiotix also received the award for ‘Pharma Company of the Year’. The company is pioneering new approaches in cancer treatment and fast becoming the leading nanomedicine company.

Scientist.com was chosen as the winner of the ‘Regulatory Procedures and Compliance’ award in recognition of its new regulatory and compliance framework, COMPLi, and West Pharmaceutical Services, Inc was granted the ‘Corporate Social Responsibility’ award for delivering good corporate citizenship particularly its recent achievements in environmental sustainability.

In the ‘Patient Centricity’ category, SRS Life Sciences won, thanks to the Unistraw Delivery System, a child focussed approach to pharmaceuticals and supplements delivery. Qualit-e Cloud GmbH received the ‘IT, mHealth & Digitilization’ award for its new web portal. This innovation enables pharmaceutical raw material producers to upload their quality documents and authorise customers and distributors to download.
