

Narayana enters partnership with Gleneagles Hospital

05 November 2018 | News | By Sonali Wankhade

Gleneagles will provide comprehensive medical care facilities to the patients at Narayana Hospitals

Narayana Medical College and Chennai-based Gleneagles Global Health City have entered into an agreement here on Saturday for heart and lung transplantation program. Dr. Veeranagi Reddy, Principal of Narayana Medical Institutions and Dr. Sandeep Attavar, a representative of Gleneagles Global Health City, have exchanged the memorandum of understanding (MoU) at the medical college.

Coordinator of the Institutions Dr. Sarvepalli Vijaya Kumar said that heart and lung transplantation would be a boon for Nellore population. He said Gleneagles will provide comprehensive medical care facilities to the patients at Narayana Hospitals. Dr. Sandeep said that they had completed 135 heart and lung transplantations and focused to do more this year.
