BioSpectrum supports Social Responsibility forum (SRF) a club of NMIMS University in CSR activity

23 January 2019 | News

Events held by SRF each year are crafted with passion and precision to invoke a sense of social responsibility.

BioSpectrum is collaborating with **Social Responsibility Forum** (SRF), which is a club at **Anil Surendra Modi School of Commerce**, **NMIMS University**.

With the legacy of 38 years, NMIMS has emerged as a multi-disciplinary, multi-campus University in Mumbai, Navi Mumbai, Indore, Shirpur, Dhule, Bengaluru, Hyderabad and Chandigarh offering courses in Pharmacy, Science, Agriculture among others.

AARAMBH, the flagship event of the club, is a social marathon, which calls for spirit, enthusiasm and energy among its participants. It is a 5-km marathon, where people from the entire city participate and run for a cause.

With a footfall of around 2000 participants and the 10th year of its titillating journey, Aarambh stands against the cause of **Child Sexual Abuse**. As Aarambh completes a decade this year, SRF has collaborated with **'Arpan- Towards Freedom from Child Sexual Abuse'**.

SRF is taking bigger strides to ensure 'A World Free from Child Sexual Abuse', and urges everyone to join and support them in raising awareness against the issue on **10th of February, 2019 at 7:00 a.m. at Bandstand, Bandra.**
