Bio-Rad names Ilan Daskal as VP and CFO

03 April 2019 | News

Mr. Daskal comes to Bio-Rad from Lumileds, where he served as Chief Financial Officer. He has over 25 years of experience in senior financial roles and has held several CFO positions at both public and private companies that include International Rectifier Corporation and Infineon.

Bio-Rad Laboratories, a global leader of life science research and clinical diagnostic products, today announced the appointment of Ilan Daskal as Executive Vice President and Chief Financial Officer, effective April 6, 2019.

Mr. Daskal comes to Bio-Rad from Lumileds, where he served as Chief Financial Officer. He has over 25 years of experience in senior financial roles and has held several CFO positions at both public and private companies that include International Rectifier Corporation and Infineon. Mr. Daskal holds a Masters in Finance degree from City University of New York and a BB in Accounting from Tel-Aviv College of Business in Israel.

“Ilan brings a breadth of experience in finance, operations, IT, as well as mergers and acquisitions, all in a global setting," said Norman Schwartz, Bio-Rad President and CEO. "We believe he will make an excellent addition to Bio-Rad."

Bio-Rad Laboratories is a global leader in developing, manufacturing, and marketing a broad range of innovative products for the life science research and clinical diagnostic markets. With a focus on quality and customer service for over 65 years, our products advance the discovery process and improve healthcare. Our customers are university and research institutions, hospitals, public health and commercial laboratories, biotechnology, pharmaceutical, as well as applied laboratories that include food safety and environmental quality. Founded in 1952, Bio-Rad is based in Hercules, California, and has a global network of operations with more than 8,000 employees worldwide. Bio-Rad had revenues exceeding $2.2 billion in 2018.
