Amit Chopra, Managing Director, India and Middle East, Thermo Fisher Scientific shares his views on the ongoing COVID-19 situation

"Thermo Fisher Scientific in India is geared to support COVID-19 testing initiatives to ensure priority access to instruments, consumables, safety supplies and other products to rapidly and efficiently respond to the outbreak. We are carefully managing our inventory, production and supply chains to ensure we continue to manufacture and deliver the products and

services our customers rely on. It is times like these that reinforce our commitment to our mission which is to enable our customers to make the world healthier, cleaner and safer."
