"Regulatory platform has been constituted for speedy clearances"- Dr Harsh Vardhan

30 April 2020 | Views

Dr Harsh Vardhan, Union Minister of Science & Technology, Health & Family Welfare and Earth Sciences provides updates on the ongoing COVID-19 situation

"The sincere efforts of DBT scientists will enable the country to be self-reliant in production of RT-PCR and Antibody test kits by the end of May. This will make it possible to meet the target of conducting one lakh tests per day by the end of May. Out of at least half a dozen candidates supported for vaccines, four are in an advanced stage and regulatory platform at one place has been constituted for speedy clearances."
