

"It is vital that we have all the crucial kits and materials"- Himanta Biswa Sarma

23 June 2020 | Views

Himanta Biswa Sarma, Health Minister, Assam talks about the ongoing COVID-19 situation

"Assam has been successfully leading the fight against COVID-19 pandemic and our initiatives have gone a long way in containing this disease in the entire NE region. We want to identify and contain this disease at an early stage and it is vital that we have all the crucial kits and materials so that our frontline healthcare workers and doctors who are doing a commendable job do not face any hurdles."

- Himanta Biswa Sarma, Health Minister, Assam
