AIIMS Delhi starts tele-consultation for COVID-19 management

14 July 2020 | News

Tele-consultation sessions twice every week, on Tuesdays and Fridays

As part of its holistic response and management strategy for COVID-19, the Centre remains committed to reducing case fatality rate by ensuring effective clinical management of all COVID-19 positive patients.

For this purpose, Union Minister of Health & Family Welfare has now involved specialist doctors from AIIMS, New Delhi to provide expert guidance and knowledge support to doctors manning ICUs in State hospitals.

Tele-consultation is a critical component of the clinical intervention protocol for COVID-19. A specialist team of doctors from AIIMS, New Delhi shall provide guidance on effective clinical management of COVID-19 patients in the ICUs of different State hospitals through tele/video consultation.

They will handhold the States in clinical management of COVID-19 patients to reduce the case fatality rate. These tele-consultation sessions for providing timely and expert guidance to the doctors in the States shall be conducted twice every week, on Tuesdays and Fridays.
