Dalmia Group to set up Hospital & School at Ayodhya

08 September 2020 | News

Dalmia Group is the first corporate which has initiated two virtuous and constructive projects at Ayodhya

Delhi based Dalmia Group, one of India’s oldest and most distinguished business houses, has recentlysaid that it has planned to set up a world-class hospital and a modern school for higher learning at Ayodhya in Uttar Pradesh.

The Sanjay Dalmia led Dalmia Group has approached the Uttar Pradesh Government to acquire land for building the hospital and the school at Ram Janambhoomi Ayodhya, which is regarded as one of the sacred cities of India.

It is in an advanced stage of talks with the state government following a requisition for allotment of 10-acre land at Ayodhya that has already been made to the UP government.

After the announcement and inauguration of the construction of Ram Mandir at Ayodhya, Dalmia Group is the first corporate which has initiated two virtuous and constructive projects there for the welfare of society and nation at large.

One of Dalmia Group Companies, Dalmia Healthcare Pvt. Ltd., is to establish a world-class health facility with the most modern state-of-art equipment in the memory of Vishu Hari Dalmia, which will cater to the growing needs of people of Ayodhya.

Dalmia Biz Education, another company of Dalmia Group, is to set up a school-Lalita Maa Dalmia School Of Higher Learning - in the memory of Vishnu Hari Dalmia's wife. The school will have all new teaching techniques and focus on the overall development of children. Its curriculum will be designed accordingly.
