

Muthoot Finance extends dialysis support project in Karnataka

07 October 2020 | News

The company has signed an MoU with Bangalore Kidney Foundation

Muthoot Finance Ltd, India's largest gold-loan company's Corporate Social Responsibility Wing, Muthoot M George Foundation has extended its Dialysis support project to Karnataka.

The company has signed an MoU with Bangalore Kidney Foundation (BKF), an NGO based in Bangalore for supporting patients for their Dialysis.

The official MOU exchange was held at Corporate office, Bangalore between George M Alexander, Executive Director, The Muthoot Group and Kartik Sriram, Trustee, Bangalore Kidney Foundation. George Alexander Muthoot, Managing Director, George Thomas Muthoot, Joint Managing Director, The Muthoot Group and the CSR committee members have joined this ceremony through video conferencing.

Muthoot M George Foundation, has been involved in the care and assistance activities for Kidney patients for a number of years. Every year, company has been providing a substantial amount for dialysis & treatment of renal patients. So far company has provided support for 2 lakh dialysis.

Speaking on this occasion, George M Alexander, Executive Director, Muthoot Finance Ltd. said, "The number of patients undergoing dialysis in India is increasing by 10-15 per cent every year. We believe, our association with BKF will provide additional care & comfort to the financially deprived patients. We at Muthoot Finance are committed to give back to the society through our various CSR initiatives, we will continue to remain duly committed towards our society with the vision to enhance the quality of life of communities that we serve".
