MediBuddy onboards Siva Venkataraman as Head of Finance & Legal

28 January 2021 | News

Venkataraman joins the healthcare platform from RentoMojo where he led the finance team and oversaw accounting and controllership, equity and debt fundraising and investor relations, business, finance and legal. He has also previously been part of Arbor Ventures and Flipkart. He also co-founded and managed a financial services firm based out of the Middle East for 4 years

India’s largest digital healthcare platform, MediBuddy has onboarded Siva Venkataraman as Head of Finance & Legal. Venkataraman joins the platform with over 15 years of experience in leading and being part of finance teams at start-ups from seed stage to series D.

Venkataraman joins the healthcare platform from RentoMojo where he led the finance team and oversaw accounting and controllership, equity and debt fundraising and investor relations, business, finance and legal. He has also previously been part of Arbor Ventures and Flipkart. He also co-founded and managed a financial services firm based out of the Middle East for 4 years.

Commenting on the leadership role appointment, Satish Kannan, Co-Founder & CEO, MediBuddy-DocsApp says, “It is also a great privilege to have Siva join us with his commendable background in start-ups and the finance sector. As a growing platform, his inputs will be extremely valuable to us.”

Venkataraman says, “I am looking forward to doing some great work with MediBuddy in the healthcare sector. MediBuddy has grown from strength to strength since its inception and joining them at a time when telemedicine as an industry is booming, feels great.”

Venkataraman is an alumnus of Indian School of Business (ISB) & CFA institute USA. Outside of work, his interests lie in reading and writing Haikus, active trading in the stock market and home automation.
