HealthCare Global Enterprises Limited has announced the joining of Raj Gore as CEO from February 01, 2021. Gore has a 17-year track record in healthcare business management spanning North America, Asia, and Africa. He has led business transformation and financial turnaround mandates, including post-acquisition integration for acquired healthcare companies in India, Mauritius, and Vietnam.

Gore joins HCG from Apollo Hospitals, where he was CEO for the Southern Region, responsible for Apollo's largest region with 15 facilities across Tamil Nadu and Andhra Pradesh. Prior to Apollo Hospitals, Gore was Chief Growth Officer (India) & Chief Operating Officer – NCR at Fortis Healthcare.

Dr BS Ajaikumar, Former Chairman and CEO, HCG and newly appointed as Executive Chairman, said, "I am delighted to welcome Raj as CEO of HCG. His excellent track record in healthcare and, in particular, his strategic and operational expertise make him the ideal choice to lead our dedicated team and specialised business."

Gore said, "With oncology cases continuing to rise, a comprehensive and focused approach is key to delivering high quality of care and superior outcomes. I look forward to building on HCG's legacy as the most trusted brand in oncology, sustained by a relentless focus on patient outcomes and research-driven treatment and care."

Amit Soni, Managing Director, CVC and Board member of HCG, added, "We are excited about Raj joining as CEO. Now with the completion of our capex cycle, a strong balance sheet, and with a seasoned professional such as Raj on board, we look forward to an exciting phase of clinical, operational and financial efficiencies across the organisation."
