Jiva Ayurveda to hold nation-wide free health consultation drive from March 12

12 March 2021 | News

If a person opts for the treatment, a free health consultation will be provided by experienced Jiva Ayurveda doctors

Jiva Ayurveda is organising a nation-wide free health consultation drive that is expected to benefit more than 50,000 people, from March 12-21, 2021 across its more than 80 plus clinics nationwide.

If a person opts for the treatment, a free health consultation will be provided by experienced Jiva Ayurveda doctors. The consultation will be valid for a period of three months. Along with this, certain Jiva health and wellness products such as honey, chyawanprash, shampoo, ayurvedic tea and more will also be available at discounts of up to 20 per cent at clinics. Additionally, as part of the offer, there is also a 10 per cent discount on treatment/medicines on the next visit.

“Jiva Ayurveda is organising ‘Jiva Health Week’ from March 12-21. You are invited to visit your nearest Jiva clinic and get a free health consultation from our expert Ayurvedic doctors. Stay safe and stay healthy,” said Dr Partap Chauhan, Director, Jiva Ayurveda.
