Govt identifies strategic actions for inclusion of homoeopathy in integrative care

10 April 2021 | News

A unique digital initiative, the Homoeopathic Clinical Case Repository (HCCR) portal, has been launched

A two-day convention on ‘Homoeopathy - Roadmap for Integrative Medicine’ was organized by the Central Council for Research in Homoeopathy (CCRH), an autonomous apex research organization under Ministry of AYUSH to celebrate the occasion of the World Homoeopathy Day on April 10.

The World Homoeopathy Day (WHD) is observed to commemorate the birth anniversary of the founder of Homoeopathy, Dr. Christian Fredrich Samuel Hahnemann.

A unique digital initiative of CCRH, the Homoeopathic Clinical Case Repository (HCCR) portal aimed at providing homoeopathic clinicians, researchers, medical students etc. a user platform for entering homoeopathic clinical cases through a predefined standardized template was also launched.

The objective for this conference was exchange of experience by policy makers and experts to identify strategic actions towards an effective and efficient inclusion of Homoeopathy in integrative care.

The session on Homoeopathy in public health witnessed key speakers sharing the success stories of Homoeopathy in public health where the integration has been done at national programmes like National Program for Prevention and Control of Cancer, Diabetes, Cardiovascular diseases and stroke (NPCDCS), Cancer and palliative care initiatives from Kerala state, Geriatric care, community-based initiative to curb malnutrition etc.
