

Miracles Healthcare, Apollo Cradle, Apollo Spectra launch boutique hospital in Gurugram

23 April 2021 | News

The 'state-of-the-art' hospital has modular operation theatres, level III neonatal intensive care unit (NICU), comprehensive diagnostics, world-class rooms backed by an expert clinical team of specialists and much more

Miracles Healthcare, Apollo Cradle and Apollo Spectra have joined hands to launch a boutique women & children and multi-specialty hospital in Sector 82-Miracles Apollo Cradle Spectra Hospital, equipped to address the changing requirements of healthcare in the aftermath of COVID-19 and serve a larger number of patients in Gurugram and its neighbouring districts.

The hospital brings together, at the same location, the renowned Women & Children care synonymous with Apollo Cradle, the Multi-specialty Surgical Expertise of Apollo Spectra and over two decades of operational & customer service excellence associated with Miracles Healthcare. The 'state-of-the-art' hospital has modular operation theatres, Level III neonatal intensive care unit (NICU), comprehensive diagnostics, world-class rooms backed by an expert clinical team of specialists and much more.

The Miracles Apollo Cradle / Spectra Institutes of Excellence will serve in the fields of orthopaedics, general and laparoscopic surgery, eye, nose, and throat (ENT), obstetrics and gynaecology, neonatology, paediatrics, and urology. The hospital, compliant with ICMR guidelines to prevent COVID-19 in healthcare facilities, will have a fever clinic, will screen all staff, patients and visitors at the entry point, and will undertake thorough sanitisation and social distancing measures.

"We wish to deliver personalised services and international standard healthcare by focusing on quality patients care, high medical standard and constant innovation," says Dr Sheetal Dhawan, Director Operations, Miracles Apollo Cradle / Spectra Hospital, Gurugram.

“The team of well-known specialists at this hospital bring a collective experience of many years. With the launch of this hospital, we wish to cater to all your primary and secondary healthcare needs,” says Dr Mandeep Kaur, Medical Superintendent, Miracles Apollo Cradle / Spectra Hospital, Gurugram.
