ABCD Technologies onboards new partners to boost pharma supply chain

03 May 2021 | News

With the addition of new partners, ABCD Technologies LLP now has 17 partners

ABCD Technologies LLP (to be renamed as IndoHealth Services LLP) has announced that nine new partners have joined the initiative aimed at developing a world-class pharmaceutical supply chain & distribution IT ecosystem in India.

The new partners include Glenmark Pharmaceuticals Ltd, Emcure Pharmaceuticals Ltd, USV Private Ltd, Micro Labs Ltd, Alembic Pharmaceuticals Ltd, Cadila Pharmaceuticals Ltd, Ajanta Pharma Ltd, Ipca Laboratories Ltd and Intas Pharmaceuticals Ltd.

With the addition of new partners, ABCD Technologies LLP now has 17 partners. The companies who had joined earlier included Alkem Laboratories Ltd, Zydus HealthCare Ltd, Cipla Ltd, Dr Reddy's Laboratories Ltd, Lupin Ltd, Mankind Pharma Ltd, Sun Pharma Distributors Ltd and Torrent Pharmaceuticals Ltd. The partnership is aimed at digitising the pharmaceutical supply chain for improving the availability & accessibility of medicines and it supports the government's National Digital Health Mission (NDHM).

Earlier in April, DigiHealth Technologies LLP had acquired AIOCD Pharmasofttech AWACS Private Limited (AWACS) and Pharmarack Technologies Private Limited (Pharmarack).

The initiative has been supported by Transaction Square.
