Apollo Hospitals Group launches mega COVID vaccination drive

29 June 2021 | News

Activates 200 centres across India

Apollo Hospitals announced that a mega COVID vaccination drive will be conducted pan India on Wednesday, June 30, 2021. The vaccination drive would be carried out at over 200 Apollo vaccination centres spread across 50 cities in the country.

People looking to get vaccinated, can book slots using Apollo 24|7 App and select the nearest Apollo vaccination centre. The App provides real-time information to enable the user to choose from their preferred time slots to reduce wait times and lines. Apollo's mega vaccination drive will be held from 7 am to 7 pm, thereby enabling everyone to choose a slot as per their convenience.

Apollo has also trained over 10,000 staff in safe vaccination protocols to ensure a seamless experience at all the vaccination centres.

Shobana Kamineni, Executive Vice Chairperson, Apollo Hospitals Group, said, "We believe that no one is safe until everyone is vaccinated. This drive will enable and encourage a maximum number of people to get inoculated. Vaccination is the best defence to reduce the third wave and get back to life as we know it."
