Apollo Fertility opens centre in Thane

06 July 2021 | News

The centre is spread across 6000 sq ft

Apollo Fertility, a part of the Apollo Health & Lifestyle and Apollo Hospitals group, has launched a state-of-the-art fertility centre in Thane, Maharashtra. The launch witnessed the presence of Apollo Fertility COO Anubhav Prashant, Senior IVF and Endoscopy Consultants - Dr Garima Sharma and Dr Suyash Bhandekar. Spread across 6000 sq ft, the centre will have IVF labs. The centre will have facilities that cater to all sorts of infertility related issues ranging from IUI, ICSI, Laparoscopic surgeries including PGS, to offer all gamuts of services under one roof.

Speaking on the launch, Chandrasekhar, CEO, Apollo Health & Lifestyle Limited, said, “After the successful launch of Fertility services in Navi Mumbai in 2018, Solapur and Borivali in December 2020, this will be the group’s fourth centre in Maharashtra that will cover the central suburbs and areas around Thane and beyond.

Apollo Fertility, with its strong presence in eight cities across India, plans to rapidly expand its footprint across other parts of the country with its evidence-based approach towards reproductive medicine.
