Founder Speaks-

"Vandelay'ss health and personal care products are the need of the hour, and will remain a need due to a substantial change in the mindsets of the consumers - who do not mind paying a premium for a product that justifies the money spent. Our growth in the past 13 months signifies that the consumers have spoken. they are setting new norms and expectations are very high."

-Kunal Saha, Director and Co-founder, Vandelay, Mumbai
