Jubilant Biosys appoints Giuliano Perfetti as CEO

07 September 2021 | News

Perfetti has more than 20 years of experience across diverse businesses and global markets with expertise in strategy, sales, marketing and business development

Jubilant Biosys announced the appointment of Giuliano Perfetti as its Chief Executive Officer. Perfetti has more than 20 years of experience across diverse businesses and global markets with expertise in strategy, sales, marketing and business development. He has led business transformation and expansion programmes working in reputed names including Accenture and Astrazeneca among others.

Before joining Jubilant Biosys, Perfetti was associated with Fabbrica Italiana Sintetici (F.I.S) as Chief Commercial Officer and was responsible for strategising and executing the company's growth plan and ramping up the global scale-up and commercial service business.

Shyam S Bhartia, Chairman and Hari S Bhartia Co-Chairman and MD, Jubilant Pharmova, said, "Jubilant Biosys is delighted to have Giuliano come on board as we make rapid progress in expanding our drug discovery services and CDMO business through investments in infrastructure and new capacity."

"I am thrilled to be joining the Jubilant Bhartia Group at such a pivotal time of growth and investment bringing a fully integrated offering from drug discovery to development and commercial production," said Perfetti on his appointment.
