

## Sharp Sight Eye Hospitals launches eye care hospital in Srinagar

19 September 2021 | News

**The centre will cater to the needs of the eye patients in Srinagar and neighbouring areas**

Sharp Sight Eye Hospitals announced the launch of its state-of-the-art facility and biggest eye hospital in the valley located at Baghat Chowk, Estate Barzulla, Srinagar. The facility was inaugurated by Manoj Sinha, Hon'ble Lieutenant Governor of Jammu & Kashmir.

Speaking on the occasion, Sinha said, "I welcome team Sharp Sight to Srinagar and I am delighted to see the achievements made by this organisation. Sharp Sight has made significant advancements in terms of technology, expertise and infrastructure available to the patients. It's also very heartening to know that Sharp Sight is committed to providing eye care for all irrespective of people's paying capacity as affordability is one of its key priorities.

Dr Samir Sud, Co-Founder & Medical Director, Sharp Sight Eye Hospitals said, "Over the years, we have endeavoured to provide the best in class treatment and technology to our patrons at affordable costs. The centre will cater to the needs of the eye patients in Srinagar and neighbouring areas. We will continue to strive to bring the benefits of our clinical excellence to various parts of Jammu & Kashmir."

Dr Kamal B Kapur, Co-Founder & Medical Director, Sharp Sight Eye Hospitals said, "Sharp Sight extends its services to all ophthalmic specialities including Refractive Procedures (Vision Correction Procedures), cataract, glaucoma, vitreo retinal services, Uvea, cornea, squint, paediatric ophthalmology, neuro-ophthalmology, oculoplasty and tumours, opticals and Vision Aids, Contact Lens and comprehensive eye check-up. We seek to provide world-class ophthalmic care at our patient's doorstep and this facility at Srinagar marks our maiden foray into Jammu & Kashmir."

Deepshikha Sharma, CEO, Sharp Sight Eye Hospitals, said, "We now proudly announce the introduction of latest American technology in J&K, Femto Cataract Technology for cataract treatment and best German technology, touchless Lasik for refractive errors. Building on the trust that we have gained of over 10 lakh delighted patients, we have initiated a new vision - 'Aao Accha Dekhein'; which welcomes and motivates people to inculcate a better perspective towards life."
