Govt to set-up 75 science technology and innovation hubs in India

06 October 2021 | News

The initiative is exclusively for SCs and STs

Union Minister of State (Independent Charge) Science & Technology; Minister of State (Independent Charge) Earth Sciences; MoS PMO, Personnel, Public Grievances, Pensions, Atomic Energy and Space, Dr Jitendra Singh has said that the Government will be setting up 75 Science Technology and Innovation (STI) Hubs in different parts of the country, exclusively for Scheduled Castes (SCs) and Scheduled Tribes (STs), which will not only promote scientific talent but also contribute to socio-economic development of these communities.

After a high level review meeting with senior officials of Department of Science and Technology (DST) in New Delhi, the Minister said, in the last two years, 20 STI Hubs (13 for SCs and 7 for STs) have already been established by DST which will directly benefit 20,000 SC and ST population through various interventions spreading across farm, non-farm, other allied livelihood sectors and various livelihoods assets like energy, water, health, education, etc.

The Minister said, STI hubs will have mainly three-fold objectives: a) To address the weakest linkages in the predominant livelihood systems through Science & Technology (S&T) interventions b) Creation of social enterprises based on the strengths in livelihood systems c) To improve the Indigenous Knowledge Systems (IKS) through inputs of S&T for strengthening the livelihoods.
