### **Founder Speaks-**

*"We foresee that the customers are opting for more eco-friendly and skin friendly options. There is growing awareness amongst the consumers on various options at their disposal, their features, benefits and effects in the long term. Hygiene has become a buzz word and also being taken seriously by the consumers nowadays, all due to COVID-19. We believe that this is just the beginning of growth in the feminine hygiene market."*

**- Sujata Pawar, Co-founder and Chief Executive Officer, Avni, Thane**
