- To generate & assist 50 air ambulance calls by onboarding 5 air ambulance vendors to its fleet
- To have active fleet presence and operations in all tier 2 cities across India i.e. 100+ cities (including tier 1 cities) by 2025

Founder Speaks-

"We are penetrating the B2B segment like-corporates, insurance companies, commercial, residential facilities, hospitals, schools and colleges etc, where we intend to provide our ambulatory and first aid services by offering response time as low as five minutes."

- Pranav Bajaj, Co-founder, Medulance Healthcare, New Delhi
