

Aster Aadhar Hospital, Kolhapur appoints Dr Bharat Shah as COO

12 October 2021 | News

Dr Shah brings two decades of experience in the hospital industry having worked with several other renowned hospitals

Aster Aadhar Hospital, Kolhapur has announced the appointment of Dr Bharat Shah as Chief Operating Officer. In his role, Dr Shah would be driving daily operations and overseeing the development and implementation of long-term business strategy, growth, plans, and objectives for Aster Aadhar Hospital.

With more than 20 years of work experience in the hospital industry, Dr Shah has spent 16 years in hospital management and four years in clinical practice. He has provided both operational and strategic leadership in various roles at healthcare organisations in the country. Prior to his appointment as COO, Dr Shah served as Deputy General Manager at a Mumbai hospital.

Dr Shah was awarded a Masters in Hospital Administration from ASCI- Hinduja Institute of Healthcare Management, Hyderabad and a Degree in Homoeopathic Medicine from the Ministry of Health, Government of India.
