Nandy is an acclaimed business leader with over 30 years of experience in global strategy, enterprise building, and investments

Data and analytics provider for life science organisations Excelra announced the appointment of Sudip Nandy to the company's board of directors. Nandy holds a Bachelors' Degree in Physics with Honors from the Indian Institute of Technology, Kharagpur, and another one in Electrical Technology and Electronics from the Indian Institute of Science, Bengaluru. He also has an MBA from the Indian Institute of Management, Ahmedabad.

Nandy is an acclaimed business leader with over 30 years of experience in global strategy, enterprise building, and investments. He is currently a senior advisor and has previously served as managing director and operating partner at private equity firm ChrysCapital, a leading investment firm with approximately \$4 billion of assets under management. During his tenure as Operating partner, he was Executive Chairman of California headquartered Infogain Corporation and Board Member at Liquid Hub, a part of Capgemini. In addition, Nandy is a Director on the Board of GeBBS Healthcare that provides revenue cycle management services for healthcare providers in the United States of America.

Earlier, Nandy was the CEO and Chairman (India) for Aricent, a KKR owned company. As the former Chief Strategy Officer and Head of M&A at Wipro, he led several mergers and acquisitions that enabled the company to become one of the leading IT services firms globally. During his tenure at Wipro, he was also the President of Technology, Media & Telecom SBU and led the high-growth global business unit focused on Engineering Services.
