

NITI Aayog's AIM launches digi book on health startups

21 October 2021 | News

The book has a compilation of 45 health tech startups

NITI Aayog's Atal Innovation Mission (AIM) has launched – *Innovations for You*, an attempt to showcase the success stories of Atal Innovation Mission's Startups in different domains. These startups have worked to create new, disruptive and innovative products, services, and solutions that can pave a path for a sustainable future. The first edition of this book is focused on innovations in healthcare and soon other sectors shall follow.

The book is a compilation of 45 health tech startups, incubated at Atal Incubation Centres spread across the country. These startups are leveraging frontier technologies such as AI, IoT, ICT and others to provide socially relevant solutions to problems like anaemia, malaria, dental care, mental health, neonatal and child care and monitoring human vitals, among others.

The digi-book was unveiled in the presence of Dr Rajiv Kumar, Vice Chairman, NITI Aayog, Dr VK Paul, Member Health, NITI Aayog, Amitabh Kant, CEO, NITI Aayog, Dr Rakesh Sarwal, Additional Secretary (Health), NITI Aayog and Dr Chintan Vaishnav, Mission Director, Atal Innovation Mission, NITI Aayog.
