CitiusTech names Bhaskar Sambasivan as CEO

27 October 2021 | News

Sambasivan will build on the success of CitiusTech as a leader in healthcare digital transformation, and drive scalability and innovation to power the next phase of growth

CitiusTech announced that its Board of Directors has appointed Bhaskar Sambasivan as Chief Executive Officer effective November 1, 2021. Sambasivan joined CitiusTech as President in May 2021 and has been working with Rizwan Koita, CEO, as part of a structured leadership transition process.

Before joining CitiusTech, Sambasivan was the President of Patient Services and Chief Strategy Officer of EVERSANA, a leading life sciences platform company. He spent close to 15 years at Cognizant as the Global Head of Life Sciences. Before Cognizant, he spent many years with Siebel/Oracle and PricewaterhouseCoopers in key leadership roles. Sambasivan was recognised as a PharmaVOICE Top 100 leader in both 2017 and 2018 for his industry contributions.
