SpiceHealthâ??s Amritsar lab to help scale-up RT-PCR, Rapid (RT)-PCR and Rapid Antigen testing both at the airport and the city

SpiceHealth has launched its first mobile testing laboratory in Punjab – at Amritsar's Sri Guru Ram Dass Jee International Airport – to conduct Real-Time Polymerase Chain Reaction (RT-PCR), Rapid (RT)-PCR and Rapid Antigen tests.

Avani Singh, CEO, SpiceHealth said, "Situated at the Sri Guru Ram Dass Jee International Airport, the testing facility will ensure all incoming and outgoing passengers from the city are duly tested when required. The facility is also open to the residents of the city and adjoining areas."
