Akums Drugs & Pharma bags India Pharma Award 2021

29 November 2021 | News

The award was given out during CphI at the India Expo Center, Noida for the company's excellence in contract research and manufacturing

New Delhi-based Akums Drugs & Pharmaceuticals has received the ‘India Pharma Award 2021’ during the CphI at the India Expo Center, Noida. The 8th edition of the annual award recognises Akums’ contribution to the healthcare sector. It also acknowledges Akums Drugs & Pharmaceuticals for excellence in contract research and manufacturing.

Akums is one of the largest Contract Research and Manufacturing (CRAMS) organisation responsible for manufacturing approximately 12 per cent of all drugs consumed in the country. The organisation offers a comprehensive range of services starting from formulation development to market launch all en suite.
