First IVF and Fertility centre opens in UP

29 November 2021 | News

The IVF centre is equipped with a dedicated department of foetal medicine

Yashoda Super Specialty Hospital, Nehru Nagar, Ghaziabad has set up a comprehensive fertility clinic with state-of-the-art treatment and diagnostic facilities.

The centre is the brainchild of IVF specialists Dr Gauri Agrawal who is also the Co-Founder of Seeds of Innocence. Seeds of Innocence owns and operates 14 IVF & Surrogacy centres across eight Indian states.

The revamped centre along with the launch of the centre of excellence in foetal medicine and medical genetics was graced by Chief Guest Brajesh Pathak, Minister of Law & Justice, Legislative and Rural Engineering Services, Uttar Pradesh and Guest of Honour Atul Garg, Minister of State, Medical and Health, Family Welfare, Maternal and Child Welfare Department, Uttar Pradesh.

Seeds of Innocence, Ghaziabad has been developed adhering to international standards of medical infrastructure and facilities and specialises in Assisted Reproductive Technologies, treatment of infertility, management of high-risk pregnancies and genetic diagnostics. The IVF centre will be the first and only medical facility in Uttar Pradesh (UP) to be equipped with a dedicated department of foetal medicine.

Dr Agrawal says, "Our Lucknow centre will be operational soon, and will be launching our international centre in Oman."
