Neuberg Diagnostics opens 10 labs in Delhi, Chandigarh, Haryana and UP

02 December 2021 | News

Collectively, the 10 laboratories are capable to process about 10,000 samples in a day

Chennai-based Neuberg Diagnostics has announced the launch of 10 diagnostics labs and 100+ touchpoints across Delhi, Chandigarh, Haryana, and Uttar Pradesh.

The 10 diagnostic labs are wholly owned by Neuberg while the 100+ touch points are set up in their own or franchisee business model. The 10 wholly-owned labs are equipped to conduct and process a wide variety of tests.

Collectively, these 10 laboratories are capable to process about 10,000 samples in a day and deliver results within the given turnaround time which differs from test to test while maintaining the best-in-class quality.

Out of 10, two reference labs are in Sector-62 in Noida and Lucknow, whereas the other eight labs are in Sector-51 and Sector-48 in Noida, Patparganj and Punjabi Bagh in New Delhi, Sector-14 and Sector-47 in Gurugram, and Chandigarh and Panchkula.
