

#startupoftheday 81- Phyt.Health

27 December 2021 | News

Creating the best digital physiotherapy experience

Inception- 2021

Location- Pune

Domain- Healthcare

Founders- Darpan Saini (Chief Executive Officer) and Snehal Fulzele (Executive Chairman)

Total team strength- 25

Total funds raised- Rs 11.25 crore

Investors- NA

Revenue generated since inception- NA

Key Highlights-

- Developed a computer vision and AI-based physiotherapy platform that assists orthopedics and physiotherapists in delivering remote care
- Enables greater and more affordable access to care for patients while expanding to hospitals across the globe
- Primary business model is to partner with hospitals that white label its technology platform
- Deployed the solution in over 20 hospitals in India and now in the process of expanding into the US market through reseller relationships with partners such as Evolko and SentryHealth
- Forecasting 200% YoY growth over the next 5 years
- To partner with 100+ hospitals by the end of 2022

Founder Speaks-

"Physiotherapy is a growing market in India and globally. In India, there are around 25000 ortho clinics and 1000 mid to large sized hospitals that are our potential customers."

- Darpan Saini, Chief Executive Officer, Phyt.Health, Pune
