SRL Diagnostics gets integrated with Ayushman Bharat Digital Mission

25 January 2022 | News

SRLâ??s lab solutions â??CLIMSâ?? is now ABDM integrated under the National Health Authority

SRL Diagnostics is the only lab chain to have developed a proprietary Central Laboratory Information Management System. SRL's CLIMS is now integrated with Ayushman Bharat Digital Mission (ABDM) for the following capabilities-

1. ABHA number Capture & Verification for seamless patient registration. ABDM Health Id is re-coined now as "Ayushman Bharat Health Account" Number.
2. Building Health Information Provider services (HIP) to share health records via Personal Health Records (PHR) app
3. Developing Health Information User (HIU) services to provide view of patient's medical history to authorized healthcare workers with complete consent.

Speaking on the announcement, Anand. K, Chief Executive Officer, SRL Diagnostics said "We are thrilled to be now integrated with ABDM. SRL has been at the forefront of harnessing the power of information and technology to enable superior patient care and convenience. It is our privilege to be a part of the national digital health ecosystem in India."

The National Health Authority awarded SRL Diagnostics with 'ABDM Integration Completion Certificate' along with 'ABDM Integrated Logo' for successful integration of SRL CLIMS with ABDM. This is a step towards achieving common goal to provided effective healthcare to citizens by enabling innovation and digitally transforming our country's healthcare eco-system.
