Redcliffe Labs appoints Abhay Singavi as CBO

08 February 2022 | News

Singavi will lead business innovation, strategy, alliance and partnerships

Redcliffe Labs has appointed Abhay Singavi as Chief Business Officer (CBO). In his role, Abhay Singavi will be responsible to executing the company's business strategy, driving the overall growth and performance of key business units as a strategy, operations and business transformation lead

Abhay brings with himself an extensive experience of around 15 years. He has worked with Narayana Health as CEO leading the preventive health division of the company. Thereafter, Abhay worked as P&L Head in Medanta and Policy Bazaar. Abhay's most recent stint was as CBO at Healthians.
