Nanavati Max Super Speciality Hospital appoints cardiac surgeon Dr Vishal Khullar

18 February 2022 | News

Dr Khullar has been a part of over 300 heart and lung transplants and performed complicated cardiac procedures at both Mayo Clinic and Cleveland Clinic

Nanavati Max Super Speciality Hospital, Mumbai recently announced the appointment of Dr Vishal Khullar as Director of Cardiothoracic Surgery, Heart & Lung Transplants. After completion of his super-specialisation in cardiac surgery in India, Dr Khullar honed his skills at the medical institutions Cleveland Clinic Foundation, Cleveland and Mayo Clinic, Rochester in the US.

Dr Khullar has performed and participated in over 7000 successful general cardiac procedures including bypass surgeries, valve replacement, complex surgeries of the aorta (including aortic root replacement, ascending aortic replacement and aortic arch reconstruction) and heart and lung transplants.
