API Holdings collaborates with VaccineOnWheels for COVID-19 Vaccines

21 February 2022 | News

50,000 Covishield doses will be given in Pune Municipal Corporation region

API Holdings in partnership with VaccineOnWheels will be donating 50,000 doses of COVID-19 vaccines to Pune Municipal Corporation (PMC) with a possibility of further donation based on the government requirements. The vaccination drive has commenced on February 19, 2022.

Siddharth Shah, MD & CEO, API Holdings mentions, “With this initiative, we want to supplement the Government of India's efforts in their mission to vaccinate every Indian and empower them to overcome COVID-19."

Dr Suryakant Devkar, Immunization Officer at Pune Municipal Corporation said, “Through this thoughtful collaboration with API Holdings and Jupiter Hospital, we aim to contribute as much to people's welfare and overcome the challenges of the pandemic."
