- Launched the 1st of kind automatic assessment portal for mobility and flexibility needs
- Signed MoU with Manipal Education, leading allied health school for India

Founder Speaks-

"We are very excited about Spry's growth potential in India. The orthopedic market is growing at 20% CAGR which is highest in the world, we have close to 10K physical therapists graduating each year and more importantly given India's recent success in Olympics and other non-cricket sports there is a growing demand for rehabilitation, strength n conditioning services."

- Riyaz Rehman (R) and Brijraj Bhuptani (L), Co-founders, Spry Health
