For setting up of hospitals, labs and pharmacies

Aster DM Healthcare has signed a Memorandum of Understanding with the Government of Tamil Nadu (TN) to set up its facilities in the state. The MoU was presented by Dr Azad Moopen, Founder CMD, Aster DM Healthcare, who met MK Stalin, Chief Minister of Tamil Nadu, during his visit to Dubai.

The MoU proposed an investment of Rs 500 crores in hospitals, pharmacies and laboratories in the state.

This will help provide quality healthcare at an affordable cost to the people of Tamil Nadu and generate employment for more than 3500 people. Stalin has encouraged the initiative and ensured support to the healthcare group. This will further expand the services of Aster to all the South Indian states.
