# Apollo Hospitals collaborates with Healthium Medtech

18 April 2022 | News

**Advanced training will be provided in laparoscopic surgeries to young aspiring medical professionals**

The Apollo Simulation Centre, Vanagaram (ASC) has signed an agreement with Bengaluru-based Healthium Medtech, to offer advanced training in laparoscopic surgeries to young aspiring medical professionals.

The programme will be launched with the Laparoscopic Hernia Masterclass at the already available simulation centre at Apollo Speciality Hospitals, Vanagaram.

With laparoscopic surgery simulators, learners can begin to familiarise themselves with the performance methodologies. Basic and advanced procedures in laparoscopy can be learnt and updated using high-tech instruments, using real-time feedback and analytics. The initial courses of Lap. Hernia Masterclass will encompass commonly performed hernia procedures.
