Pharma & Medical Devices Conference 2022 to draft plan for next 25 years

25 April 2022 | News

Health Minister Dr Mansukh Mandaviya inaugurates the 7th International conference on Pharma and Medical Devices sector

Union Minister for Chemicals & Fertilizers and Health & Family Welfare, Dr Mansukh Mandaviya inaugurated the 7th edition of International conference on Pharma and Medical Devices sector 2022, which is scheduled from 25th to 27th April in the presence of Bhagwanth Khuba, Minister of State for Chemicals and Fertilisers and S Aparna, Secretary, Department of Pharmaceuticals. The annual flagship three-day conference is being held at Dr Ambedkar International Centre, New Delhi.

“Conferences like India Pharma and India Medical Device 2022 provide a platform for industry, academia and policy makers to brainstorm and draft a plan for the next 25 years for the sector,” Mandaviya said.

At the inaugural ceremony, three knowledge documents- ‘Impact of the pharma industry on the Indian ecosystem in the post-COVID era' by KMPG and FICCI, ‘Enabling Growth and innovation in the Indian Medical Devices Sector’ and a ‘Compilation of important speeches by CEOs’ were also released by the Union Minister.

In addition to this, Dr Mansukh Mandaviya chaired two roundtable conferences with the Pharma and Medical Devices CEOs after the inaugural ceremony.

In the conference, the Union Minister assured full support of the Government to the Pharma and medical devices sector and sought their feedback and support in preparing a roadmap for the next 25 years. Various issues pertaining to the Pharma and medical devices sector were discussed at the conference.
